2. [redacted] Dorothy Fosdick and Robert Tufts of the National Security Staffing and Operations Subcommittee of the Senate Committee on Government Operations came to the Agency today for a briefing on interrelationships of CIA and other departments prior to their trip this month. Mr. Karamessines was present for part of the time and Mr. Critchfield conducted the principal briefing. Arrangements were made for them to meet [redacted]

[ ] Representative Gerald Ford called Amory on this case indicating his strong support for [ ] and his expression that he thought the Agency should seriously consider him for employment. Amory suggested that a top Agency official have a frank conversation with Ford giving him the reasons for our not hiring him if such is the case. Echols advised further that [ ] is a medical reject. Echols has talked with Dr. Tietjen about the case and is forwarding the file to this office.
